EXPERIENCE

Web Developer Intern | Genz Educatewing

May 2026 – Present

- Developed responsive web applications using HTML, CSS, and JavaScript.
- Designed and deployed personal portfolio and real estate listing projects.
- Implemented modern UI/UX practices, animations, and reusable components.
- Collaborated with mentors to enhance code quality and user experience.

PROJECTS

EduAssist Hub

Technologies: HTML, CSS, JavaScript

- Developed an educational assistance platform providing structured learning resources and an intuitive user experience.
- Designed responsive layouts ensuring accessibility across devices.

Live Demo:

<https://pavanireddy2005.github.io/EduAssist-HUB-Project/>

Real Estate Listing Platform

Technologies: HTML, CSS, JavaScript

- Built a property listing platform with authentication, property management, search, and filtering functionalities.
- Implemented Local Storage to manage user sessions and property details dynamically.

Live Demo:

<https://pavanireddy2005.github.io/real-estate-platform/>

E-Commerce Shopping App

Technologies: React.js, Firebase

- Developed an e-commerce application featuring authentication, cart management, wishlist, and product filtering.
- Integrated Firebase Authentication to provide secure user login and registration.

Live Demo:
